

The Maine Society of Health-System Pharmacists

Technician of the Year Nomination Form

The Technician of the Year Award annually recognizes a pharmacy technician who participates in MSHP activities, provides exemplary service to the pharmacy profession, and participates in activities that promote the advancement of technician roles within the profession.

The individual who is selected as the recipient of the MSHP's Technician of the Year Award is a member who has made a significant impact, distinction, and accomplishments as a Pharmacy Technician in Maine. In addition, the individual selected shall:

- Be a professional role model
- Actively participate in MSHP activities
- Actively promote the advancement of Technician roles within the profession
- Have made a significant impact in the community, or to individuals, as a Pharmacy Technician.

Candidate's Name _____

Institution/Employer: _____

Address: _____

City: _____ State: _____ Zip: _____
